COOL ROOF 24 Gauge Architectural Series

When it comes to the durability and long lasting color-resistant finish on metal roofing, Everlast Roofing uses only the best paints available on the market. TRINAR® finishes containing Kynar 500® or Hylar 5000® base coating incorporates extremely durable pigmentation offering:

- Remarkable resistance to exterior weathering, color change, chalking and fading.
- Ease of clean-up and the ability to fight off dirt accumulation due to its molecular similarities to Teflon®.
- Resistance to airborne chemicals, acid rain and most of the cleaning solvents used to remove graffiti or other types of coating abuse.
- Exceptional flexibility and formability.
